

AGL Action Rescue Helicopter needs your support.

AGL Action Rescue Helicopter is the name for the Sunshine Coast Helicopter Rescue Service. A crucial part of South East Queensland's public safety resources. For nearly two decades we've provided a life-saving service from Brisbane to Bundaberg and beyond. Corporate sponsorship covers some of our costs, but we still rely on public contributions. So your commitment is just as important. To keep us flying, and save lives.

Put your energy into action.

I'd like to help keep the AGL Action Rescue Helicopters flying.
